

### Appendix 3: Summary of Approval Fact Sheet Questions

<b>AIR AND RADIATION MANAGEMENT APPROVALS</b>			
<b>Questions</b>	<b>Yes</b>	<b>No</b>	<b>If Yes, Go To</b>
1. Am I planning on installing new equipment or modifying, replacing or moving existing equipment that is included in the list under 1.01 and will be a source of air emissions?			<a href="#">1.01</a> , <a href="#">1.02</a> , <a href="#">1.03</a> , <a href="#">1.04</a>
2. Did I receive an air quality permit to construct that required me to obtain an Air Quality State Permit to Operate?			<a href="#">1.05</a>
3. Does my facility produce air emissions (actual or potential) of more than 10 tons per year?			<a href="#">1.06</a>
4. Do I own or manage a company that performs activities involving the disturbance of friable asbestos?			<a href="#">1.07</a>
5. Do I intend to be an asbestos training provider?			<a href="#">1.08</a>
6. Do I intend to be an asbestos inspector, management planner, project designer, worker, foreign language worker or supervisor?			<a href="#">1.09</a>
7. Do I operate an incinerator that processes special medical wastes, industrial wastes, sewage sludge, municipal wastes or hazardous wastes?			<a href="#">1.10</a>
8. Do I provide a training course for incinerator operators?			<a href="#">1.10</a>
9. Do I operate a facility that performs vehicle engine repairs? If so, am I interested in participating in the Vehicle Emissions Inspection Program?			<a href="#">1.12</a>
10. Am I a vehicle repair technician who performs engine repairs or works at a Certified Emissions Repair Facility or Fleet Inspection Station? If so, am I interested in participating in the Vehicle Emissions Inspection Program?			<a href="#">1.13</a>
11. Do I own or operate a radiation machine (X-Ray machine)?			<a href="#">1.14</a>
12. Do I own a non-dental, non-veterinary, or non-mammography electronic radiation-producing machine?			<a href="#">1.15</a>
13. Does my company in Maryland possess, manufacture, use or distribute radioactive materials for research, industrial or medical applications?			<a href="#">1.16</a>
14. Do I intend to perform State of Maryland certification inspections for low and/or high-energy X-ray machines? <b>OR</b> 15. Do I intend to perform mammography services?			<a href="#">1.17</a>
16. Will my out-of-state company be able to conduct activities in Maryland that are authorized in my out-of-state radioactive material license under reciprocal recognition?			<a href="#">1.18</a>
17. Will my company be required to register its possession of generally licensed radioactive material and must I comply with existing Maryland regulations?			<a href="#">1.19</a>
18. Do I own or operate a radiation machine service or sales company in Maryland? <b>OR</b> 19. Do I have a radiation machine service or sales company outside of Maryland, but provide services or sales within the state?			<a href="#">1.20</a>
20. Am I building a facility that generates electricity and connects with the electric grid?			<a href="#">1.21</a>

<b>LAND MANAGEMENT APPROVALS</b>			
<b>Questions</b>	<b>Yes</b>	<b>No</b>	<b>If Yes, Go To</b>
21. Do I accept, process, transfer or dispose of solid waste?			<a href="#">2.01</a>
22. Do I own a closed, unlined rubble landfill that discharges leachate to groundwater?			<a href="#">2.02</a>
23. Am I utilizing, treating, composting, transporting, storing, distributing, applying on land, incinerating, conducting an innovative or research project or disposing of sewage sludge or a product containing sewage sludge?			<a href="#">2.03</a>
24. Am I recycling natural wood waste, like tree stumps, brush or limbs?			<a href="#">2.04</a>
25. Am I accumulating, storing, hauling, recycling or processing scrap tires?			<a href="#">2.05</a>
26. Does my company have a total above ground tank capacity of 10,000 gallons or more for the storage of oil intended to be used as a motor fuel, lubricant or fuel source, including ethanol and biodiesel products? <b>OR</b>			<a href="#">2.06</a>
27. Does my company have a total above ground tank capacity of 1,000 gallons or more for the storage of used oil? <b>OR</b>			
28. Does my company transport oil within, into, or out of, the State in trucks, transports, or vacuum trucks having a hauling capacity of more than 500 gallons of oil?			
29. Does my company plan to store, treat, handle or process soils that have been contaminated with oil?			<a href="#">2.07</a>
30. Does my company import (transfer) oil into Maryland by tank truck, transport, rail car, pipeline or marine vessel/barge? If so,			<a href="#">2.08</a>
31. Does my company own the oil at the first point of import (transfer) into Maryland?			
32. Am I doing work at an oil-contaminated site that requires the treatment of groundwater? <b>AND</b>			<a href="#">2.09</a>
33. Do I plan to discharge potentially oil-contaminated groundwater to the surface or ground waters of the State? <b>OR</b>			
34. Do I have an oil terminal, not receiving oil by pipeline or marine transfer, that discharges storm water or hydrostatic test water to surface or ground waters of the State?			
35. Does my company have over 5 million gallons of above ground oil storage and receive oil by pipeline or marine transfer? If so,			<a href="#">2.10 or 2.11</a>
36. Does my company discharge storm water or hydrostatic test water to surface or ground waters of the State?			
37. Am I interested in being certified as an underground storage tank (UST) remover? <b>OR</b>			<a href="#">2.12</a>
38. Am I interested in being certified as an UST technician who can install, upgrade, repair, replace and remove UST systems? <b>OR</b>			
39. Am I interested in being certified as an UST inspector?			
40. Am I planning on removing, or discontinuing the use of an UST? If so,			<a href="#">2.13</a>
41. Does the UST contain, or was it ever used to store a regulated hazardous substance including all oil products?			
42. Do I own or manage an UST that stores a hazardous			<a href="#">2.14</a>

substance including all oil products? <b>OR</b> 43. Has your UST system been taken out of service, been upgraded, or had a change in product storage, owner, facility name or financial responsibility?			
44. Do I generate or manage hazardous waste? If so, 45. Do I store hazardous waste for more than 90 days, treat hazardous waste, dispose hazardous waste on-site, or accept hazardous waste from off-site?			<a href="#">2.15</a>
46. Do I generate, in a calendar month, 100 kilograms or more of hazardous waste or more than 1 kilogram of acute hazardous waste? <b>OR</b> 47. Do I have in inventory at any time of more than 100 kilograms of hazardous waste or 1 kilogram or more of acute hazardous waste?			<a href="#">2.16</a>
48. Do I transport hazardous waste over public highways? If so, 49. Does that transport require the use of a hazardous waste manifest? <b>OR</b> 50. Are you a Maryland-domiciled driver of a vehicle used to transport hazardous waste over public highways, with the transportation of the waste requiring use of a hazardous waste manifest?			<a href="#">2.17</a>
51. Do I transport special medical waste over public highways? If so, 52. Does that transport require the use of a shipping paper under U.S. Department of Transportation Hazardous Materials Transport regulations? <b>OR</b> 53 Do I generate 50 pounds or more of special medical waste a month or accumulate more than 50 pounds of special medical waste?			<a href="#">2.18</a>
54. Will my activities disturb lead based paint in a residential dwelling? <b>OR</b> 55. Am I being employed to perform lead abatement work?			<a href="#">2.19</a>
56. Do I conduct a training course involved in the abatement of lead paint? <b>OR</b> 57. Am I an instructor who trains workers, supervisors, inspectors or risk assessors who provide lead paint abatement services?			<a href="#">2.20</a>
58. When do I have to register my rental unit(s) in Maryland?			<a href="#">2.21</a>
59. Am I cleaning up a property contaminated, or perceived to be contaminated, by hazardous waste? <b>AND</b>  60. Are you interested in acquiring or using such a property? If so, do you want to participate in a program designed to reduce your environmental liability?			<a href="#">2.22</a>
Will I discharge any wastewater or stormwater to any place other than the sanitary sewer? <b>AND</b>  Do I own or operate an animal feeding operation?			<a href="#">2.23</a>

Will I discharge any stormwater from my mine site or support areas such as haul roads and stockpiles?			<a href="#">2.24</a>
72. Do I plan to mine for coal?			<a href="#">3.08</a>
73. As part of coal mining, do I plan to be responsible for the use of explosives in the project?			<a href="#">3.09</a>
74. Am I responsible for a coal mining operation?			<a href="#">3.10</a>
75. Will earthen material (topsoil, sand, gravel, clay, stone, minerals) be removed from my property? <b>AND</b> 76. Will the disturbance, including roads, stockpiles and drainage controls exceed one acre in size?			<a href="#">3.11</a>
77. Am I responsible for a surface mining operation?			<a href="#">3.12</a>
78. Do I need a permit to search or use reserves of gas or oil?			<a href="#">3.13</a>

<b>WATER MANAGEMENT APPROVALS</b>			
<b>Questions</b>	<b>Yes</b>	<b>No</b>	<b>If Yes, Go To</b>
61. Will I discharge any wastewater from an industrial facility or landfill to any place other than the sanitary sewer?			<a href="#">3.01</a>
62. Will I discharge any wastewater or stormwater to any place other than the sanitary sewer? <b>OR</b> 63. Do I own or operate a manufacturing facility, a fleet of vehicles or a recycling facility?			<a href="#">3.02</a> <a href="#">3.02b</a>
64. Will I discharge any storm water to the State's surface waters <b>AND</b> 65. Do I operate an " industrial facility, as defined below"? <b>AND</b> 66. Is there any potential for any pollutants from this activity to come in contact with storm water?			<a href="#">3.03</a>
67. Will I discharge any wastewater to any place other than the sanitary sewer? <b>OR</b> 68. Do I own or operate a sewage or water treatment plant?			<a href="#">3.04</a>
69. Will I discharge any wastewater to the groundwaters of the State?			<a href="#">3.05</a>
70. Do I want to use a chemical product to control nuisance aquatic plants or animals in State waters (State waters include streams, storm water ponds, wetlands and tidewater)?			<a href="#">3.06</a>
71. Do I plan to install, extend or modify a community water supply and/or sewerage system?			<a href="#">3.07</a>
79. Am I planning on having a well constructed on my property to obtain groundwater? <b>OR</b> 80. Am I planning on having a geothermal heat pump HVAC system installed?			<a href="#">3.14</a>
81. Am I planning to perform an activity that withdraws water from the State's surface and/or underground waters?			<a href="#">3.15</a>
82. Will I take drinking water samples as part of my job or to satisfy any legal requirements?			<a href="#">3.16</a>
83. Will my laboratory analyze drinking water samples for public water systems or to satisfy any legal requirements?			<a href="#">3.17</a>
84. Does the tide rise and fall at the site where you propose your project? If so, 85. Does your project involve constructing a shore erosion control measure such as a bulkhead, stone revetment, pier or marsh? <b>OR</b> 86. dredging any open water or marsh?			<a href="#">3.18</a>
87. Does your project require work to be performed in a non-tidal wetland, the non-tidal wetland buffer?			<a href="#">3.19</a>
88. ... or the 100-year floodplain?			<a href="#">3.20</a>
89. Is the project undertaken by a State or Federal agency or local government agency or private concerns? If so, will 5000 square feet or more or 100 cubic yards or more of earth be disturbed? <b>OR</b> 90. Will the project impact an existing storm water management facility?			<a href="#">3.21</a>

91. Are you a foreman, superintendent or project engineer who is in charge of on-site clearing and grading operations or sediment control? <b>OR</b> 92. Do you install or oversee the installation of erosion and sediment controls? <b>OR</b> 93. Are you involved with the design of erosion and sediment control strategies for land-disturbing activities?			<a href="#">3.22</a>
94. Am I planning a construction project in Maryland? <b>AND</b> 95. Will my overall project disturb at least one acre or more of earth?			<a href="#">3.23</a>
96. Are you a government agency, serving a large or medium population, that owns and operates a storm drain system within the urbanized area (localities with populations over 100,000) of Maryland? (individual permit) <b>OR</b> 97. Are you a government agency that owns and operates a storm drain system serving a facility over 5 acres, but with a population less than 100,000, within the urbanized area of Maryland? (general permit)			<a href="#">3.24</a>
98. Will I be building a dam?			<a href="#">3.25</a>
99.. Do you routinely perform inspections and investigations related to enforcing Maryland's health and environmental laws and regulations?			<a href="#">3.26</a>
100. Will I be the operator or superintendent of a water treatment plant, water distribution system, wastewater treatment plant, wastewater collection system, a pretreatment facility or industrial wastewater facility?			<a href="#">3.27</a>
101. Do you intend to make a hole into the ground for the purpose of either transferring water or heat to or from the ground, or obtaining aquifer data? <b>OR</b> 102. Do you intent to install or repair any equipment that is necessary to draw or purify water from a cased borehole?			<a href="#">3.28</a>

<b>SCIENCE SERVICES ADMINISTRATION APPROVALS</b>			
<b>Questions</b>	<b>Yes</b>	<b>No</b>	<b>If Yes, Go To</b>
103. What are the requirements for Off-Bottom Oyster Aquaculture to Relay Shellstock from Polluted Waters for the Purpose of Natural Cleansing			<a href="#">4.01</a>
104. What are the requirements for On-Bottom Private Oyster Lease Holders to Relay Shellstock from Polluted Waters for the Purpose of Natural Cleansing?			<a href="#">4.02</a>
