## Priority Wetland Restoration, Preservation, and Mitigation in Maryland’s Coastal Bays

EXECUTIVE SUMMARY .....	2
TARGETING.....	8
Wetlands and wetland loss.....	10
Existing management plan goals .....	32
Existing targeting efforts.....	36
Additional targeting considerations .....	41
GIS data sources .....	54
Summary of restoration targeting information - existing recommendations .....	56
MDE restoration analysis and final recommendations .....	60
Summary of protection targeting information - existing recommendations .....	78
MDE protection analysis and final recommendations .....	79
Mitigation.....	88
APPENDIX A - BACKGROUND INFORMATION .....	90
Geology.....	90
Soils.....	91
Physical processes.....	95
Groundwater resources .....	103
Economy/Land Use.....	107
Submerged Aquatic Vegetation .....	110
Forestry .....	112
Wildlife .....	113
Significant resources.....	119
Stream assessments.....	127
Water quality.....	131
Pollutant sources .....	142
APPENDIX B - GIS METHODS .....	147
BIBLIOGRAPHY .....	150
ABBREVIATIONS .....	162
